@ @parisO'really

Creative and collaborative animator with experience in full pipeline and deadline-driven series. Has worked with a variety of programs on projects and is quick to pick up new techniques required for specific jobs. Has worked as a general animator as well as in more specialised roles and in their spare time enjoys creating fun and wacky characters and animations.

EXPERIENCE

Freelance Animator

Doghouse Post-Production
May 2021 - present

Projects have included a full children's TV series for SKY, YouTube shorts and an integrated live show. My responsibilities included lip-sync and full animation using Maya and After Effects, as well as general Photoshop and After Effects.
